NEWS FROM EDUCATION SERVICES

Ready-to-Learn resources, programs, and more to support Early Childhood Education

Celebrate Dr. Seuss' birthday with these lessons from LearningMedia, Learn 360.

Dr. Seuss, that genius of wit and whimsy, was born March 2, 1904. And so March creates the perfect opportunity for you to bring the magic of Seuss into your classroom, then engage your students in a [Learning Media](#) lesson – combining psychomotor, cognitive and affective skills – inspired by Seuss' "Marvin K. Mooney Will You Please Go Now." For the lesson, [click here](#).

You also can watch the animated film adaptations from Dr. Seuss books on Learn 360. Not a [Learn 360](#) member yet? To subscribe to this highly affordable, high-quality teaching site, contact [Education Services](#) at Prairie Public, 701-239-5574.

'Swing Into Spring' with one-hour special and new episodes from Curious George.

We can never get enough of that lovably mischievous monkey, Curious George, around here. So we're excited to announce that a new one-hour special, *Curious George Swings Into Spring* premieres on Monday, March 30 and Friday, April 3 at 7 am CDT. Fun new episodes will round out the rest of the week.

We've been busy! Out and about with the Education Services team

The Education Services team has been busy traveling the state and spreading the word of PBS educational apps, teaching resources, and educational programs in the last month. Here are images from just a few of our events (left to right): 7-month-old Elmo fan Jack Thompson (with twin Ruby looking on) is delighted to meet his beloved friend during the North Dakota Counseling Association Conference in Bismarck; Daniel Tiger got plenty of hugs while visiting the Head Start in Fort Yates, ND, and Merritt Schneider, daughter of Crystal and Sen. Mac Schneider, was fascinated by our apps during Prairie Public's Capitol Day in Bismarck.

We're coming soon to a school near you!

Education Services at Prairie Public will ring in spring in a big way by sponsoring Family Literacy Events throughout the region.

We'll be visiting schools to bring popular PBS characters like Curious George, our mobile demonstration lab, learning resources, and cool freebies! The hosting schools will also offer activities like crafts, read-alongs and storytelling.
