# Chapter 1

## The appearance

One day Marta was sitting in her room." I want to ride a horse one day" she thought. She went to ask her mom if she could have a winged horse.

"Where did you get that thought from" she said. "Winged horses are in your imagination." But, they are real" she said. No there not Martha said her older brother. He was 17 so he didn't believe in anything. Martha stomped upstairs to her room. Her mom came in quietly and said, "Sweetie winged horses aren't real "." You just can't believe" she snapped." There, there Martha now go to sleep. She couldn't go to sleep until morning.

The next day she went outside to the special river that grants wishes. Martha said,

“Can I have a winged horse?” The river made a wooshing noise. Woosshhhhhhh. Martha heard clapping of a horse’s hoof. “did the river achily grant my wish? The clapping came closer and closer. Martha looked down incase if it was a wolf. But it wasn’t it was Martha’s wish!

It was a horse with wings! “I can’t believe it, it’s a winged horse!”

## Chapter 2 The Flite of a Lifetime

"It's its you! "Do you want to go for a ride?" Martha asked. The horse neighed in agreement. Martha got on the horse and was ready to fly.

"I think I'm going to call you Wings," Martha said. "Let's go now" Martha said. Wings started with a walk, then a tort, last a gallop and started to fly. Martha thought was ready, but she wasn't. As soon as Wings started to fly Martha fell off.

## Chapter 3 Helping Hoof

“Ow” Martha said loudly. She heard a howl from a wolf. The wolfs went for Wings but Wings was to quick. Wings put Martha on her back and flew away.

## Chapter 4 Goodbye

The wolfs were quick, but they made it home safely. Wings neighed. "goodbye," Wings disappeared.
