

2000 Lego  
Countdown  
Come Alive

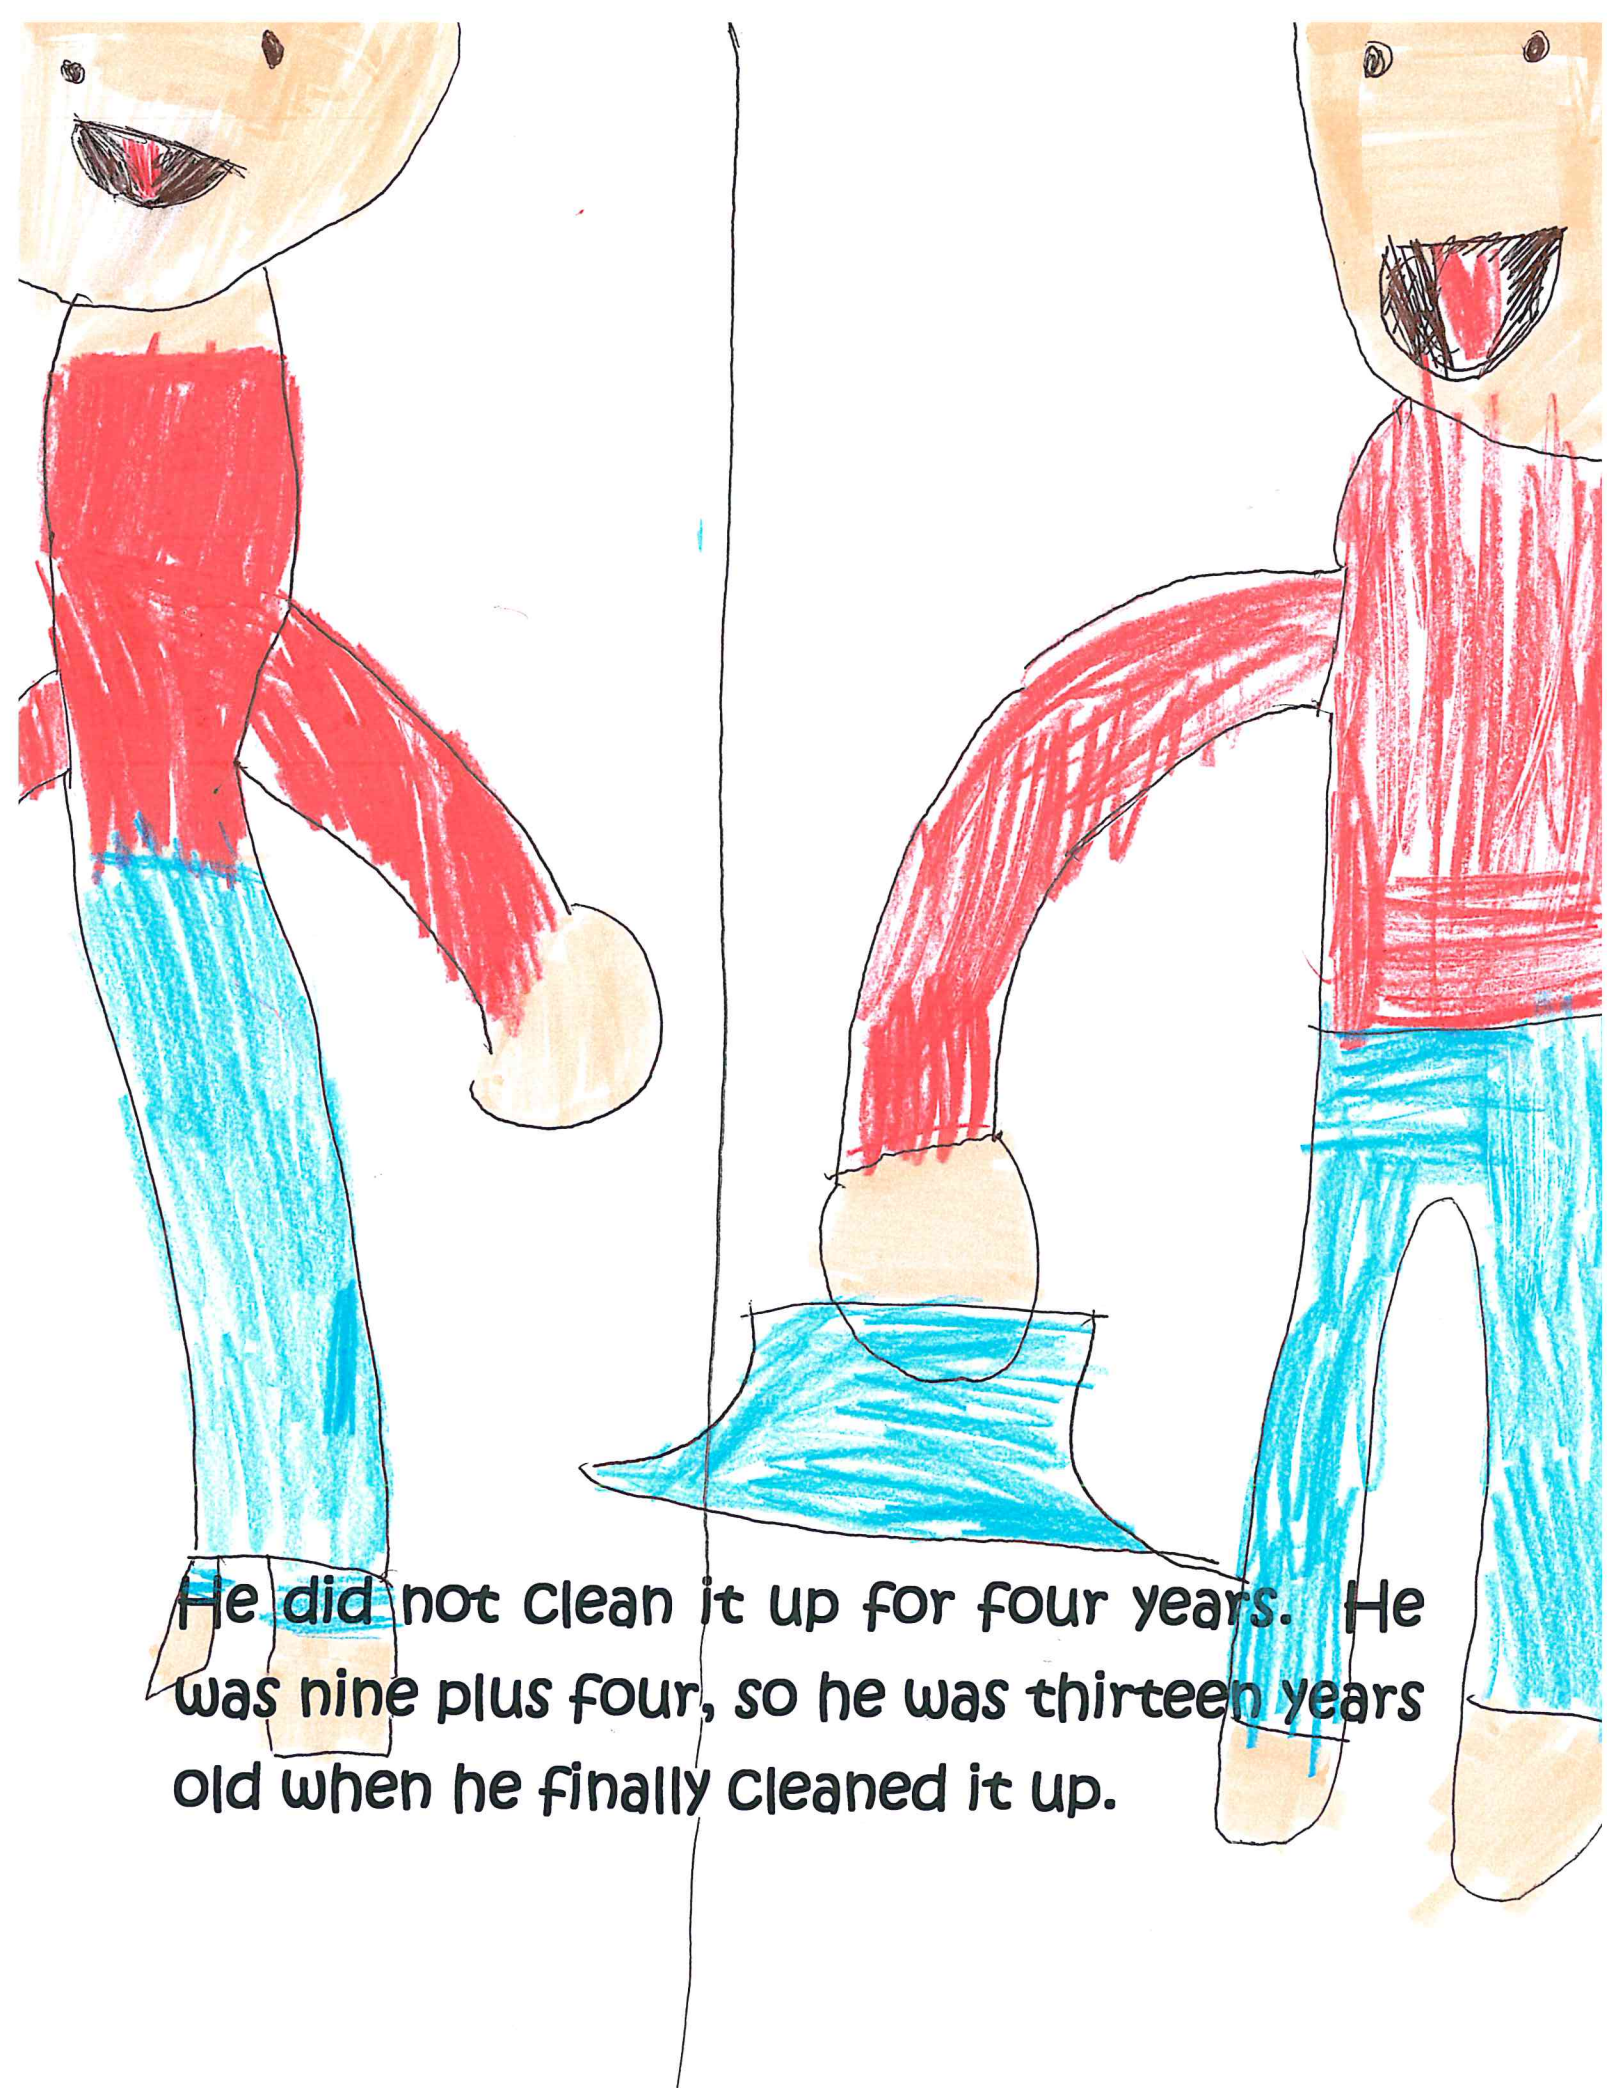

by

Once Upon a Time...there was this  
guy who had a Lego set.

He dropped it!

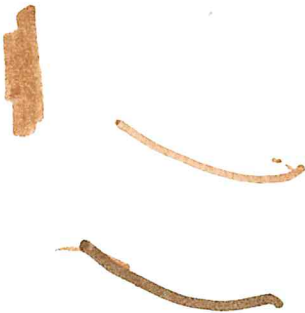

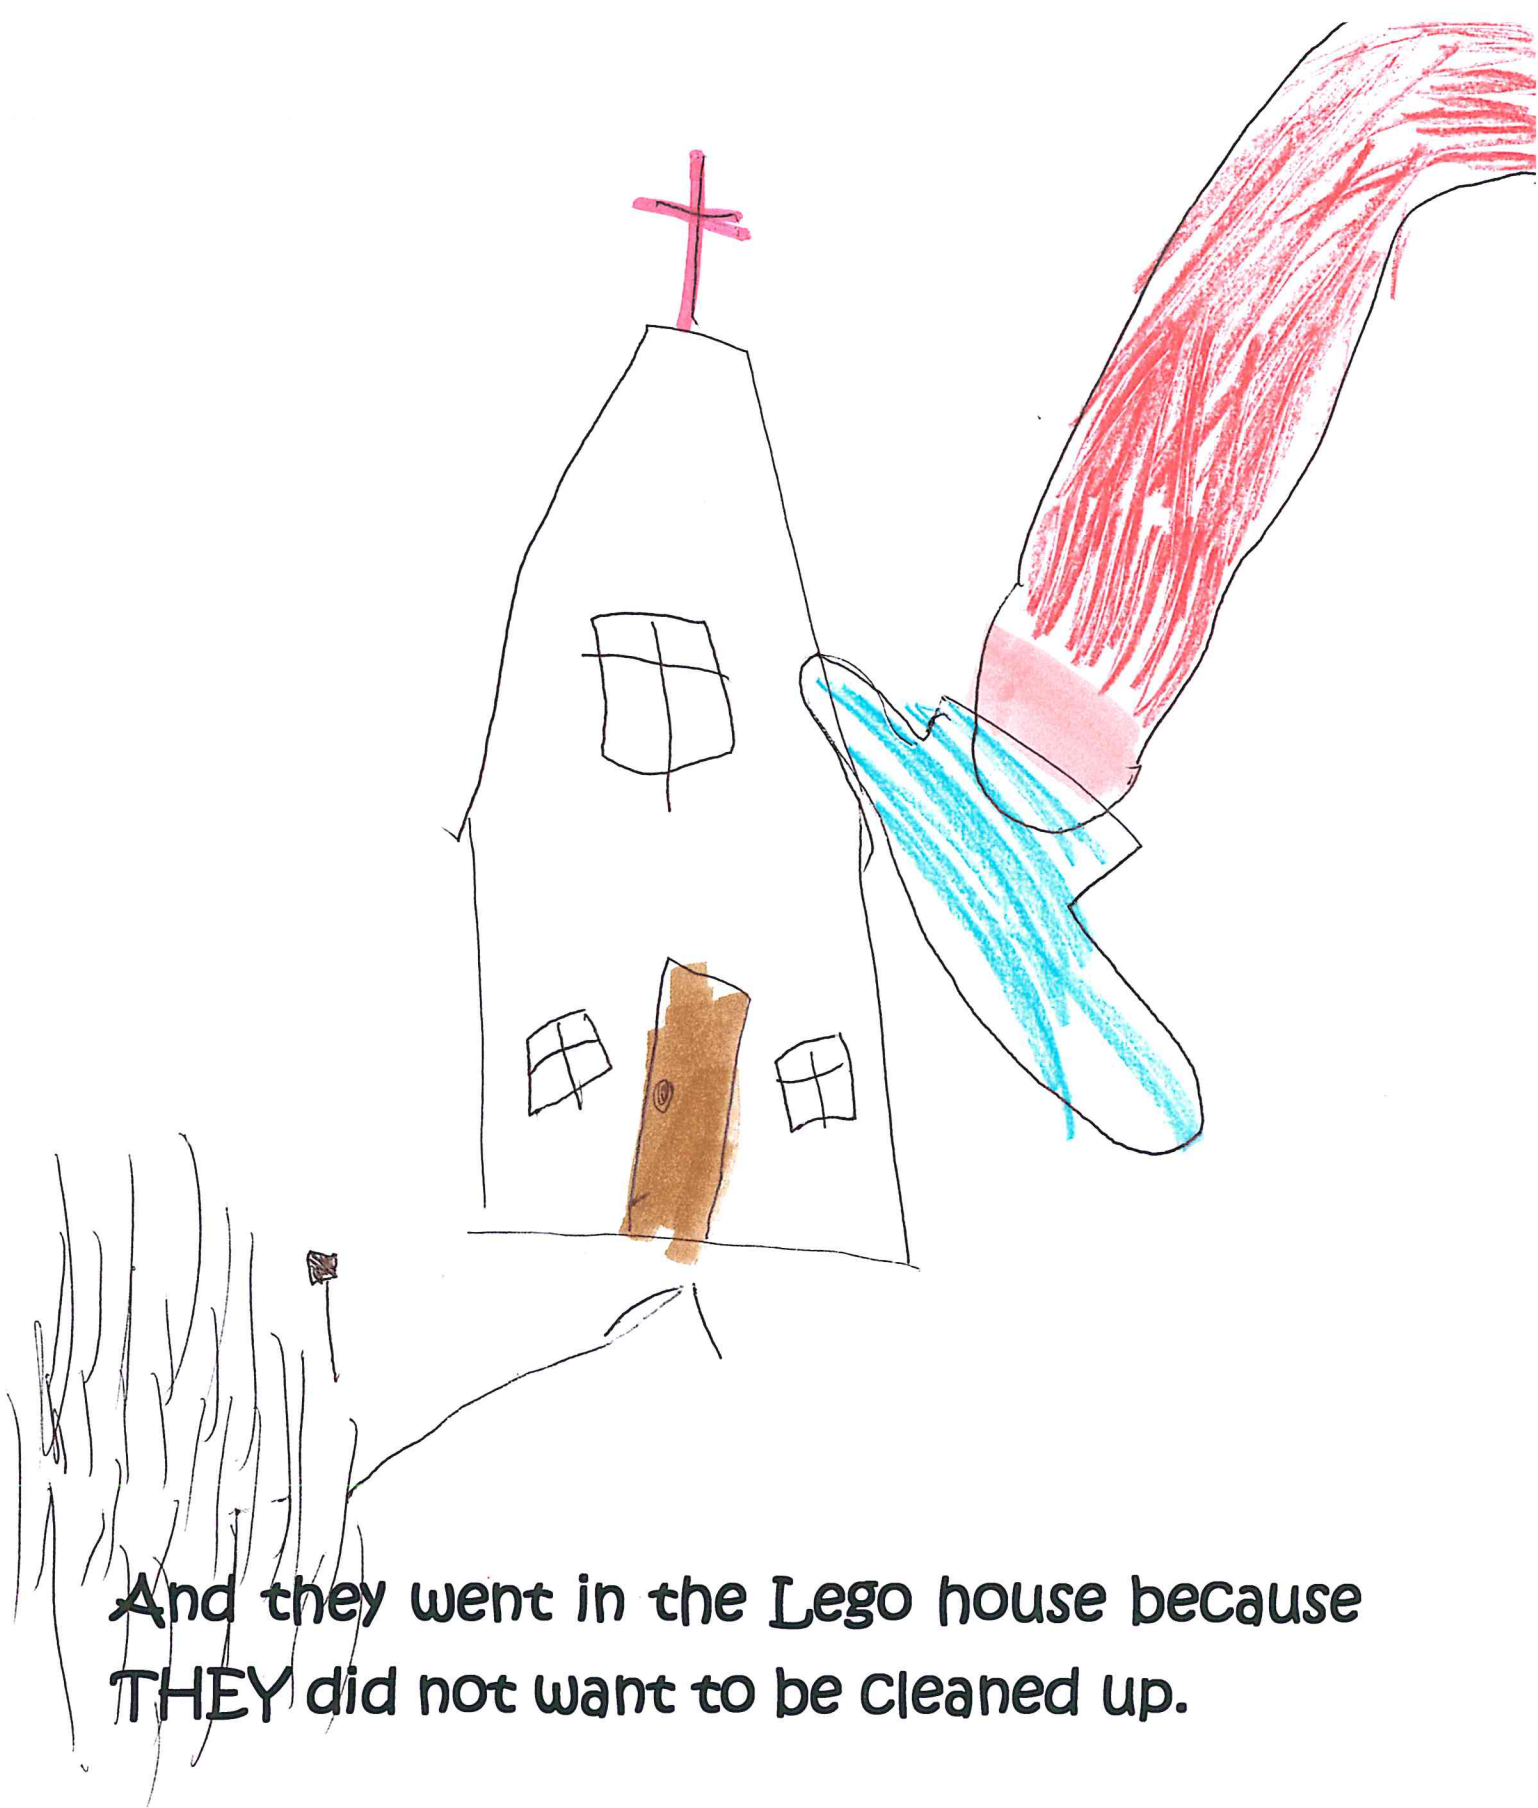

He did not clean it up for four years. He was nine plus four, so he was thirteen years old when he finally cleaned it up.

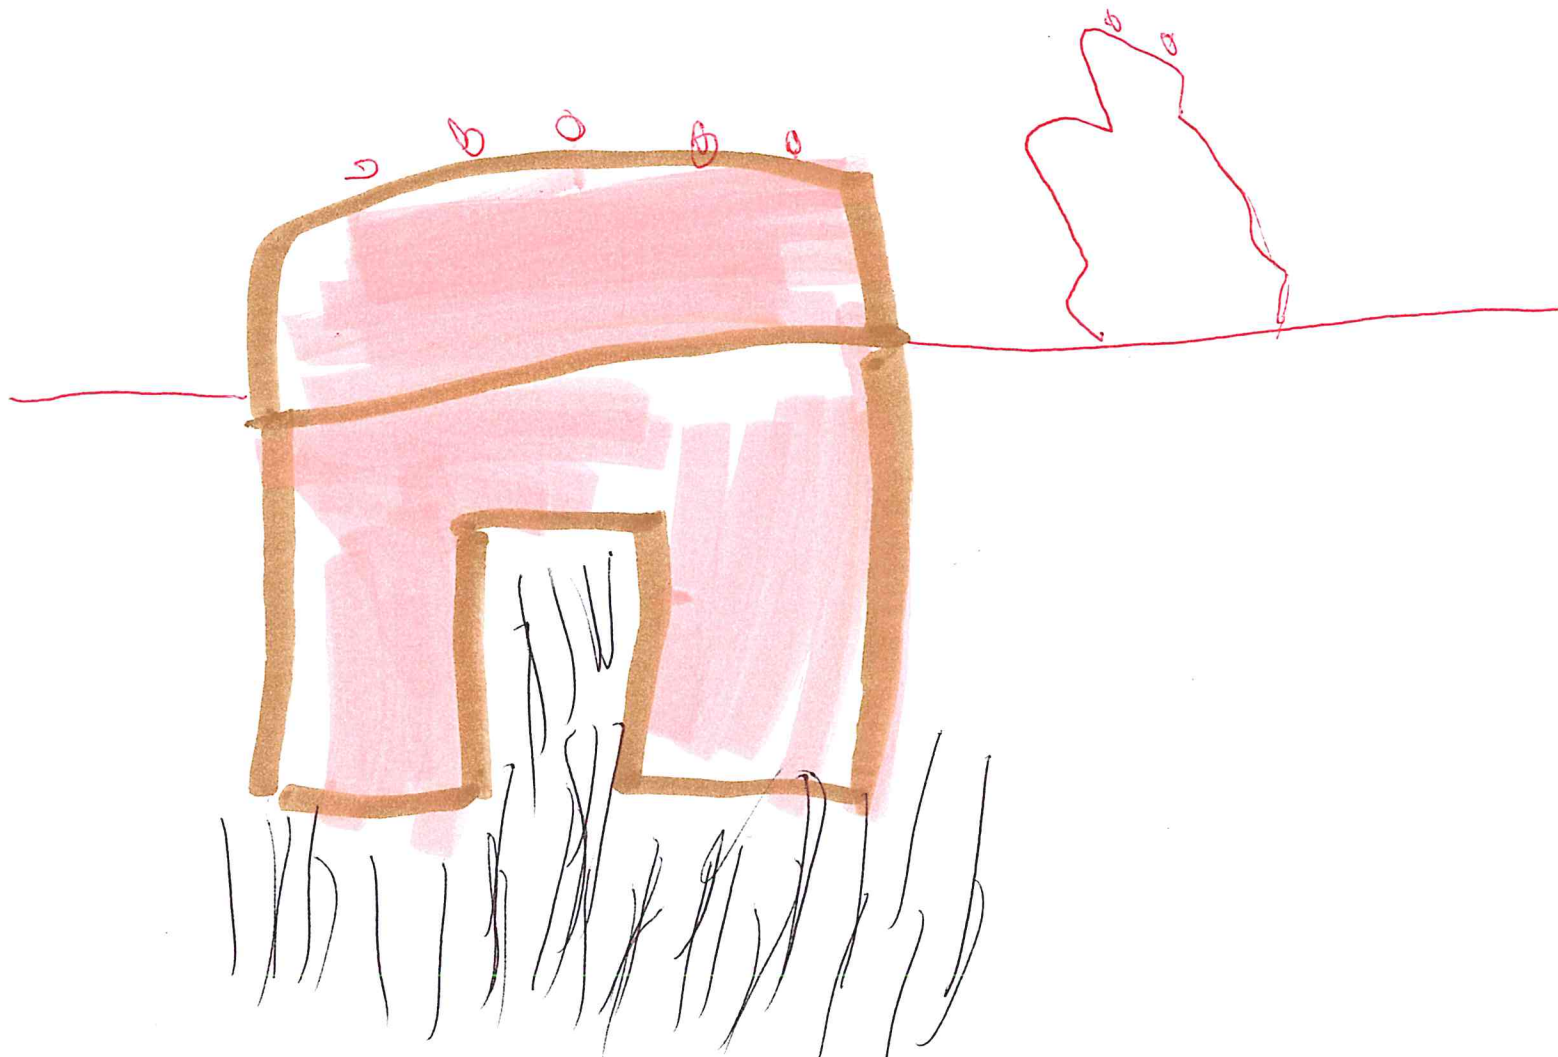

**And then all of the Lego people came alive.**

And they went in the Lego house because  
**THEY** did not want to be cleaned up.

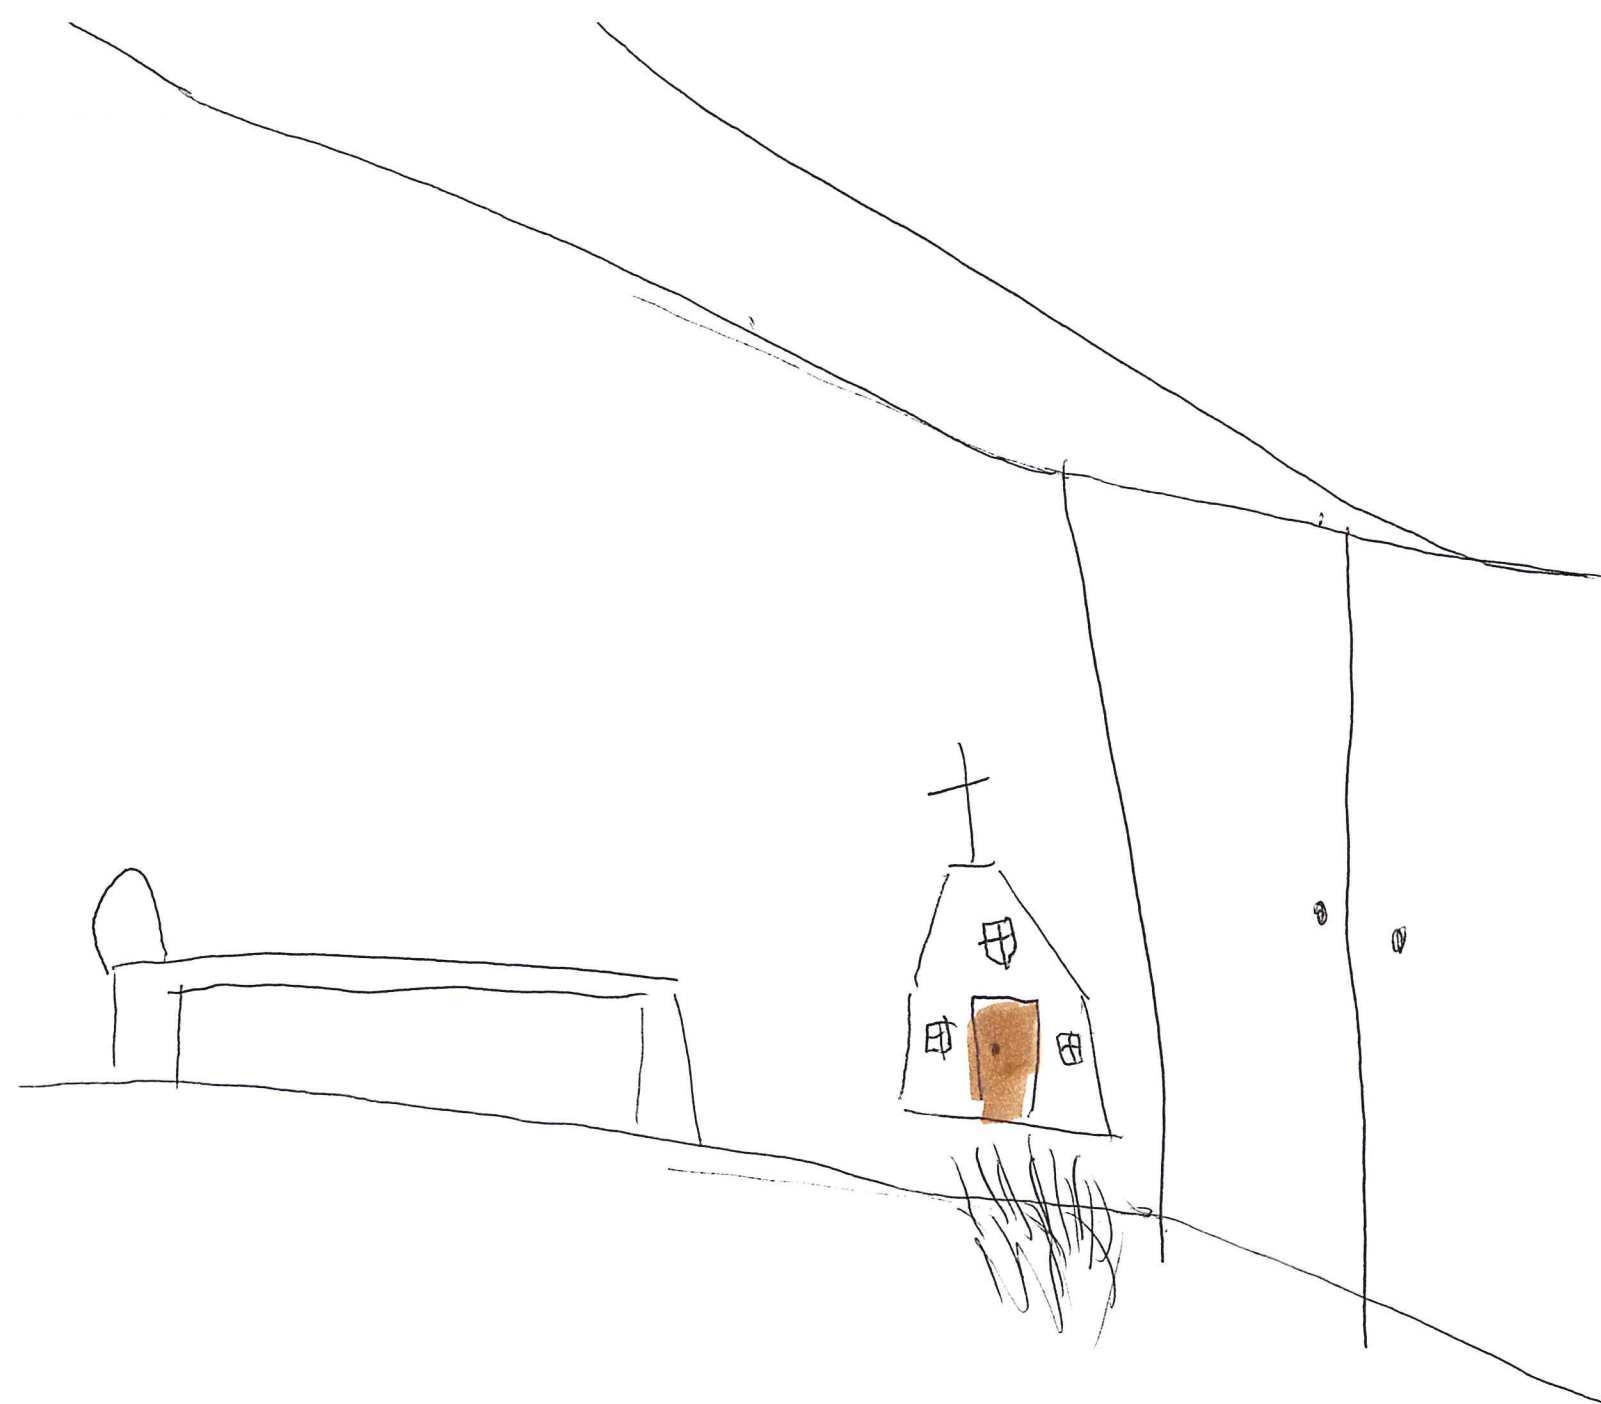

**The Lego People made a fort with their toys. IT took them two hours.**

**When the boy found the Lego people being  
alive he SCREAMED.**

He put the Lego people and the Lego house into his bedroom.

And they lived happily ever after!

The end
