

How I Saved My Dream

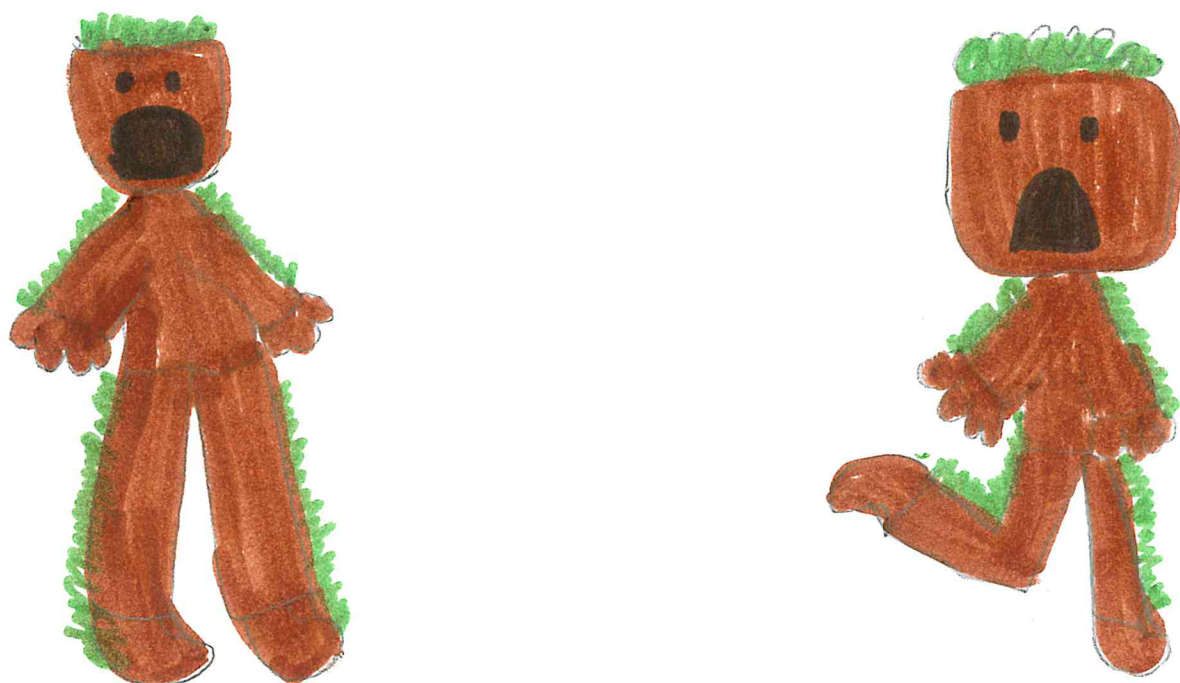

By: Mayzee Schultz

Hi, my name is Miley! One time I had a crazy dream, here is how it happened. One night while I was sleeping I had a dream that started in the woods. It was me (Miley), my friends (Zoe and Ellie), my dog (Treat) and my cat (Milo). We were playing frisbee by the pond when suddenly a little bird fell out of its nest. We had to help it! Just then

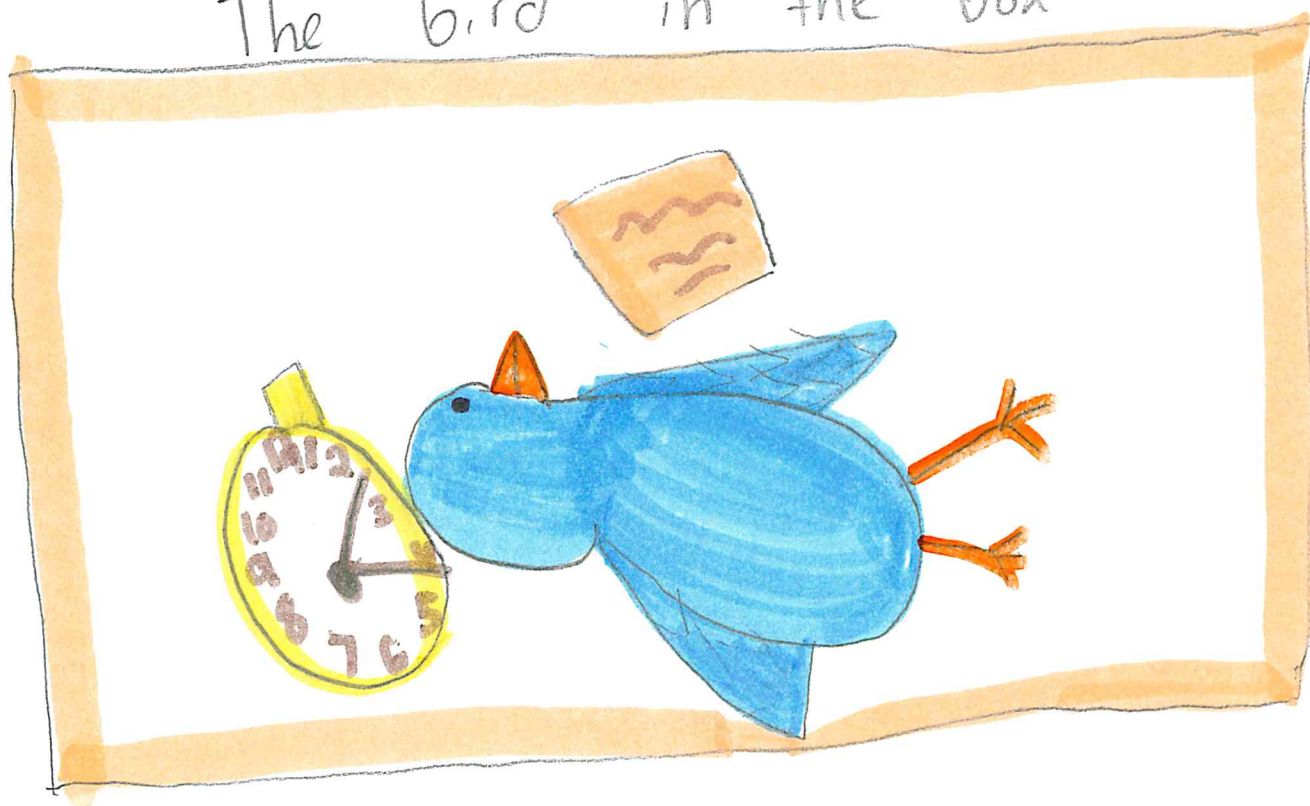

Mamma bird swooped over our heads
Zoe said, "Just leave it with the mom."
But I knew we had to save it.

We started to go to the vet to save
the hurt bird. Just then a huge monster
formed from behind us. We ran as fast
as we could, holding tight to the baby
bird. Then another forms and another and
now we're surrounded and running
faster than ever! Finally, we lose them
and find a nice shady spot for us to
sit down. We all start to look at the
bird as it sat in the box we had
for it. Then I see a little and a timer.
The note says, "If the timer runs out, the
dream will never end. The only way to
stop it is to save the hurt bird.
Good luck!" Zoe says, "I'm scared!
What do we do?" Ellie says "Well we
have to save it." Her voice shakes

As She Speaks.

Then on the way to the Clinic Zoe looked at the time and tells us "We Only have an hour to Save the bird!" "Well let's go," I Said. We can already See it So We run quickly to get there. As We go up to the Counter the lady asks US to Stay in the Waiting room And She takes the bird back to the Vet. Half an hour later and We are Still waiting. I Can barely Sit Still. I'm So impatient. Just then She Comes out and tells US, "The wait will only be a little longer." We are So relieved! What feels like an eternity later She Comes back and tells US We Can See the bird. As We walk back I hear a low rumble and think "Oh No!" The dream is crumbling then it gets louder and louder. Then everything Starts falling. We take the bird and and tell the

Lady "Thank you!" We all get
home and the bird is safe. Mom
even says we can keep it as a
pet! Then I wake up and wonder if
the dream will continue tomorrow
