

Nerd vs. Bully

Written & Illustrated By

One day there were two people. One was named Mohammed. One was named Butch. Butch was a big bad bully, he shook ropes in P.F so people will fall.

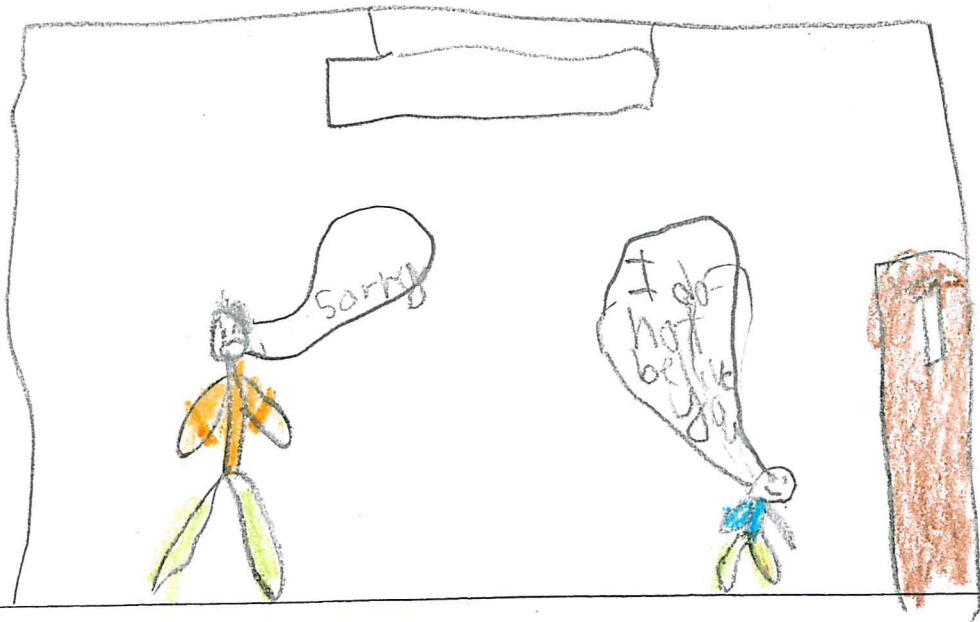

Once Butch met Mohammad
and said, "GIVE ME
YOUR LUNCH MONEY!!"

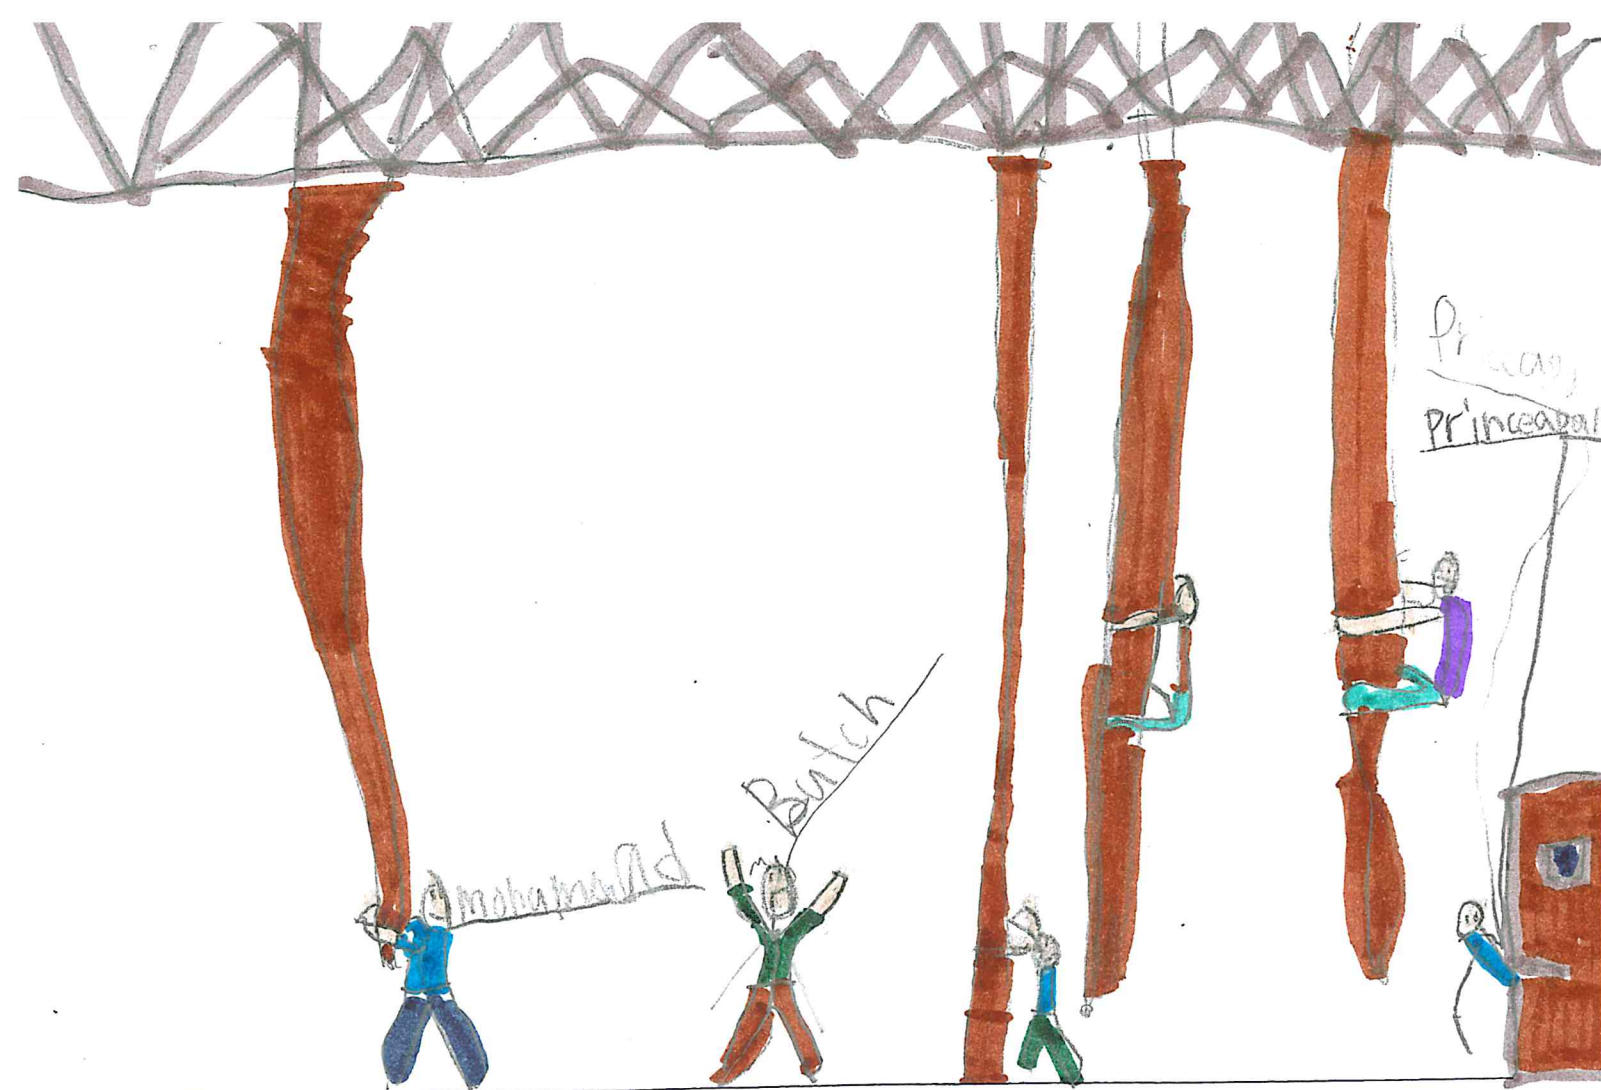

"Why?" Mohammad asked. Butch said, "I'm a bully!" Mohammad did as he was told because he knew Butch would beat him up. Just then, the principal saw and called Butch's mom to suspend him. His mom was so mad, she was gonna teach him a lesson.

At home, Butch's mom made him wash the dishes, clean the toilets and pick up the dog poop outside. While Butch was doing these chores, he couldn't stop thinking about what he did to Ahmad.

He made up his mind that he should not have bullied Alahumad and he should apologize to him. The next day at school, Butch said sorry to Alahumad but Alahumad didn't believe him.

Butch said sorry day after day, but Mohammad never believed him until one day at P.E. instead of shaking the ropes, Butch cheered people on! Mohammad saw a change in Butch.

From that day on, Butch never
disrespected anyone at all, and Mohammad
didn't have to worry about his lunch
money getting stolen ever again.
