

My life under the Sea

By: Isaac Jensen

The Core Coaches 2016

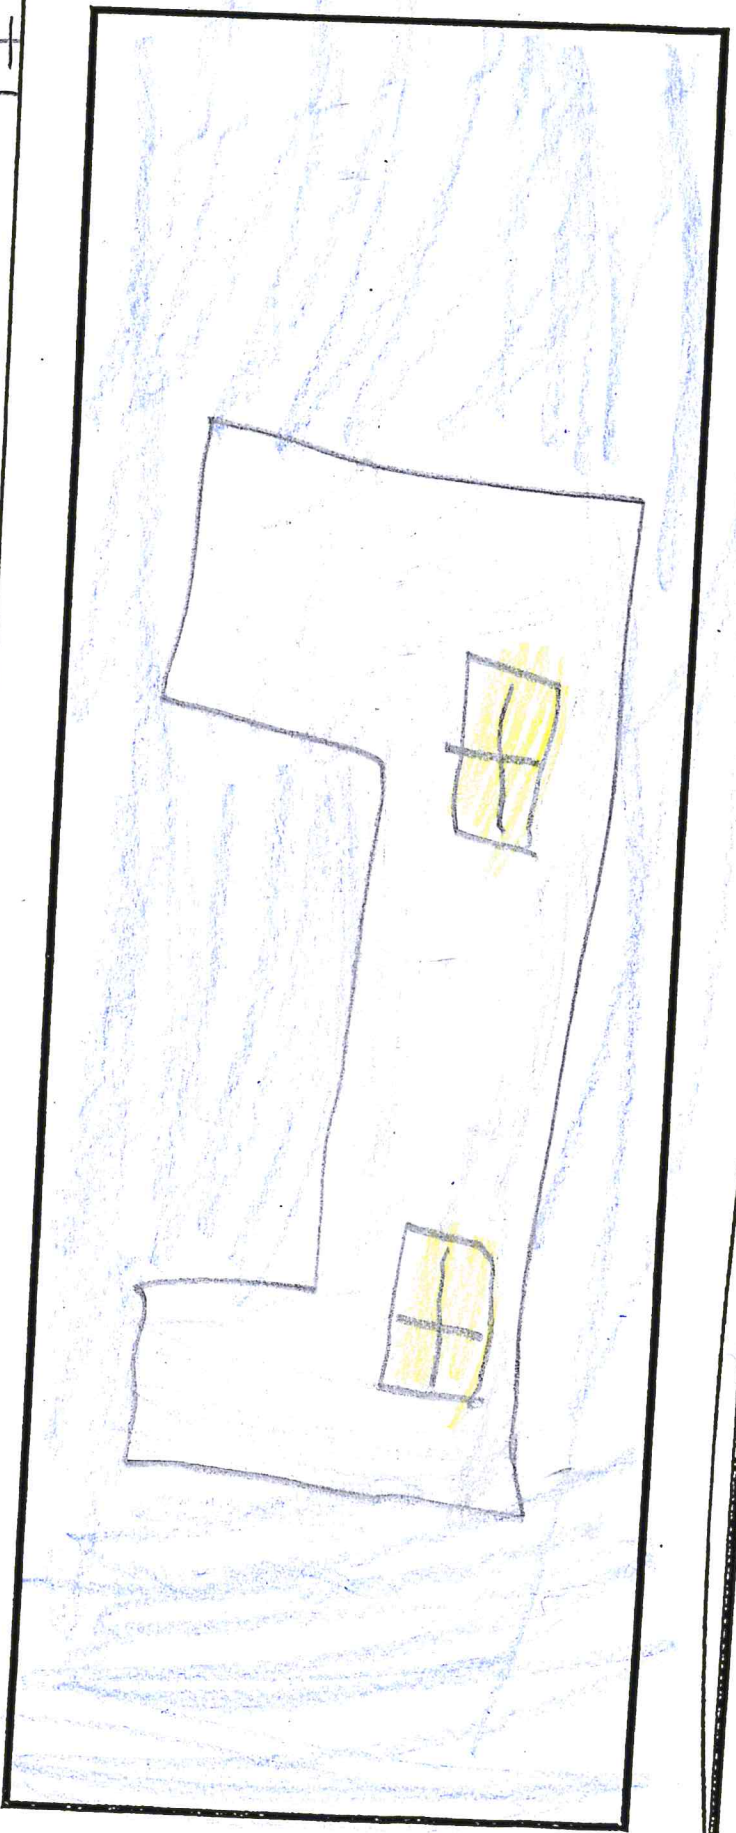

I was swimming in my submarine
pool. (In my submarine.) A Giant
Squid jumped on to my submarine!

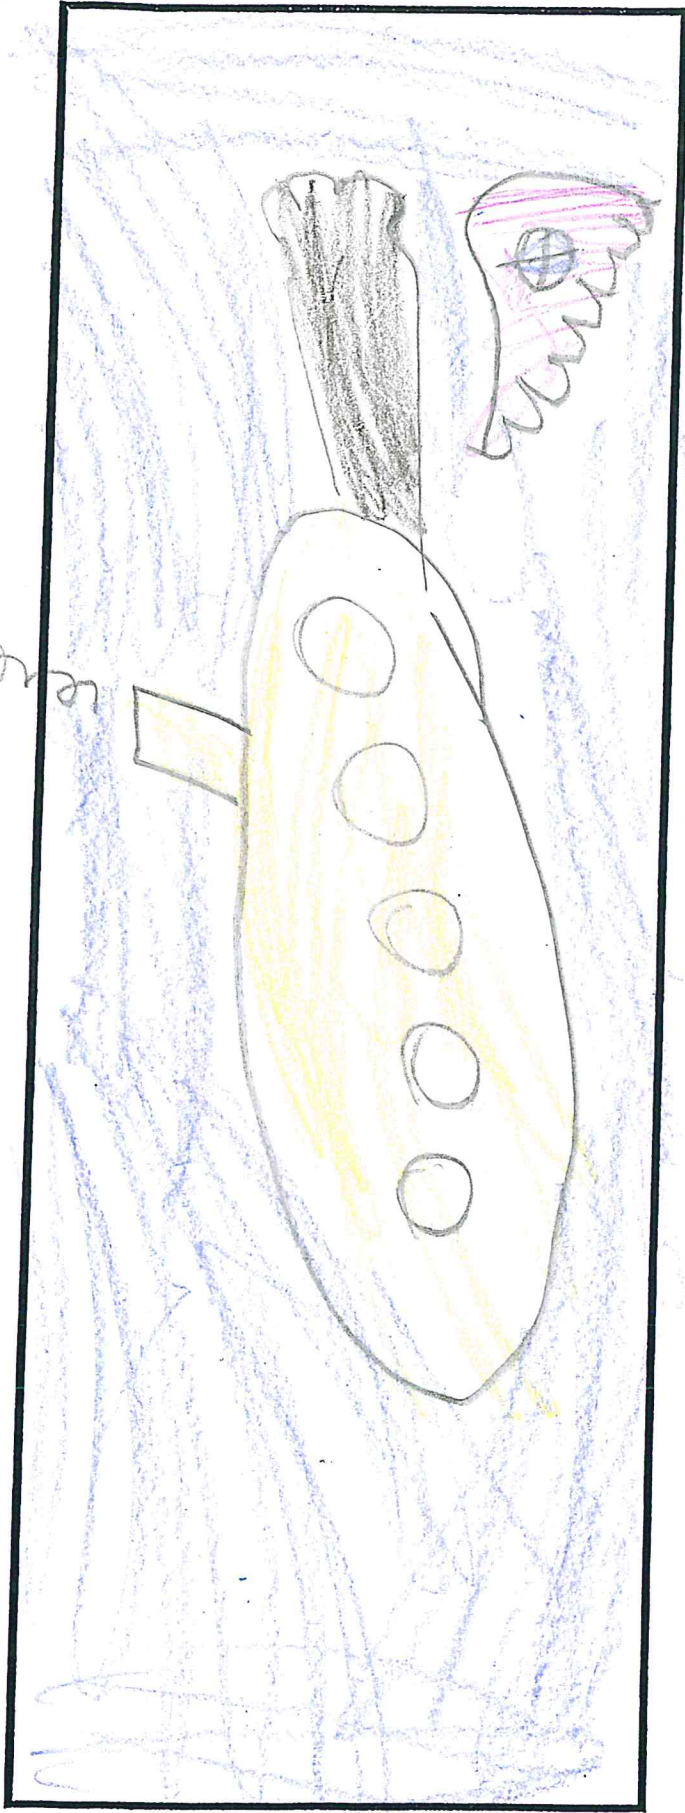

The Giant Squid breaks the submarine

I try to get away but the Giant

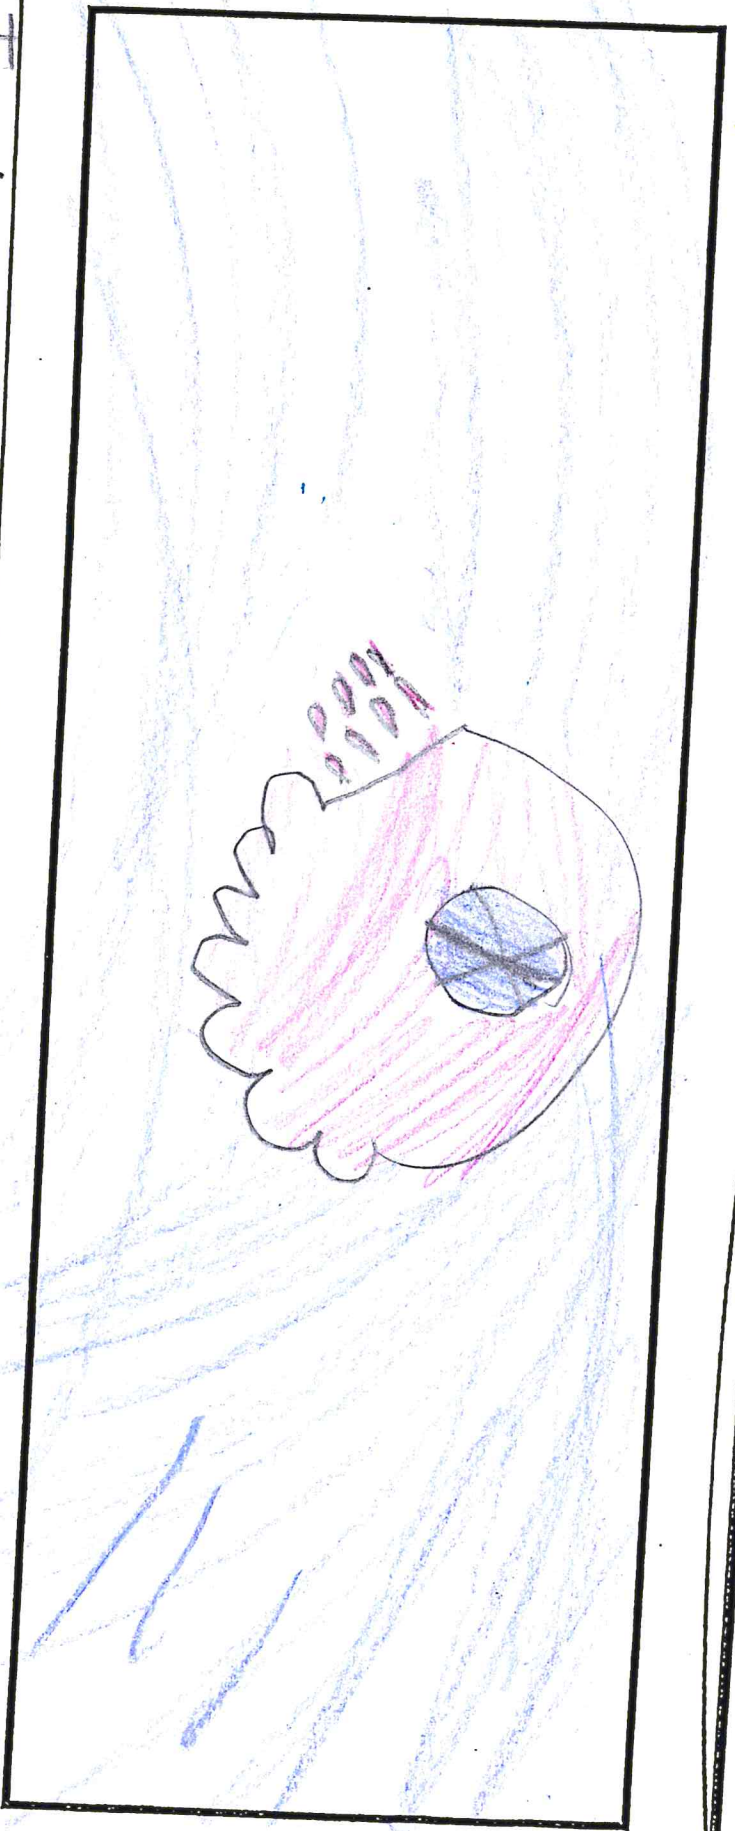

Squid calls his friends.

They eat my submarine. I get away I
get to my under sea house.

I go back out to sea in my camouflag
submarine and punch the Giant Squid
POW!

I drive away as fast as I can!

I cut a leg off the squid and eat
it for dinner. The end.
